

Many thanks to 'Choppers'

On Oct. 2, friends and family gathered to remember their loved one, James "Chopper" Goodwin, at this sixth annual memorial event.

Chopper Run 6 kicked off at the Diamond Back Saloon in Severance with a buffet breakfast provided by saloon owners Colleen and Barry Brim. After a day of riding their motorcycles in the beautiful Colorado sunshine, the group reconvened at Al's Canyon Grill in west Fort Collins. Grill owners Lisa and Al Poppy welcomed the group with live music, prize drawings, food and beverages. Cash donations from this event benefits Pathways Hospice.

Many thanks to all who participated and to the owners of Al's Canyon Grill and the Diamond Back Saloon.
